

AddressBC First Nations Grant – Sample Application Form

Section 1: Applicant Information

Name of First Nation (Applicant)

Mailing Address:

Primary Contact*:

Position/Title:

Phone:

Email:

Secondary Contact:

Position/Title:

Phone:

Email:

**Primary Contact must be an authorized representative of the Applicant.*

Section 2: Project Overview

Project Title:

Project Summary (about 150 words or less):

Anticipated Start Date:

Anticipated End Date:

Total Grant Request:

Total Project Budget:

Total External Funding:

In order to ensure transparency and accountability in the expenditure of public funds, all other financial contributions for the project must be declared. This includes any funding from other grants or in-kind contributions.

Is GIS work typically completed in-house or by a contractor? (In-House/Contractor/Other)

Does your First Nation have access to GIS software? (Yes/No)

Do you currently have civic address points in a GIS format? (Yes/No)

Total civic address points currently in GIS format:

Approximate number of net new data records.

Total existing address points to be updated:

Updates include improving the spatial accuracy or adding attribution to existing records.

Total new address points to be gathered:

Approximate number of net new data records.

Section 3: Project Activities & Budget

All projects must demonstrate a commitment to:

- ▶ *Share address data in a GIS format with ICI Society on a regular basis.*
- ▶ *Regularly review AddressBC quality assurance reports to identify errors or anomalies.*
- ▶ *Resolve errors and/or anomalies in a timely manner.*

Describe the specific activities you plan to undertake, indicating how each will meet the intent of the funding program. These activities should align with the project budget.

Project Budget (upload)

Please attach a detailed budget that outlines the expenditures associated with the proposed project activities. If applicable, indicate any expenditures from other funding sources such as other grant funding or in-kind contributions.

Section 4: Supplemental Information

Partnerships (Optional)

If applicable, identify any participating partners and their specific role in the project.

Additional Information (Optional)

Please share any other information not yet captured elsewhere that you think may support your application.

File Upload (Optional)

You may upload supporting documents here, such as Letters of Support/resolutions from partnering organizations, examples of data workflows, or reports/statistics to illustrate current geospatial data management.

Section 5: Application Submission

Applications must be signed by an authorized representative of the applicant.

I certify that, to the best of my knowledge, all the information provided in this application is accurate.
